

North Louisiana Equestrian Association
Board Meeting
April 13, 2010

Members present: Katie, Martha, Erin, Sig, Paul, Donna, Maggie, Amanda, Megan

Absent: Raegan, Wendy, Judy (all excused)

Meeting called to order at 7:06 pm

Banquet date is set for January 8, 2011.

Erin has the contract for the University Club and called Jennie to make sure we are getting the best rate. Donna will give a check for the deposit to Wendy.

T.J. Leblanc is judge for the June show. Katie and Donna thought the last show ran slow. Morgan did a better job announcing but announcer and back gate had a hard time keeping up with the results. There were many supplies missing including back numbers and judges cards. Katie was supposed to bring left over ribbons to meeting to give to Donna but forgot. Katie thinks the club should purchase a box or plastic tote to store supplies in the belong to the club including clipboards, pens, whistles, timers, etc.

The potluck was a great success at the Double Rainbow show. The club had many compliments on the show including an email from a trainer who said the fun was so fun and well run.

Donna will hold all the classes in the outdoor ring, and not use the covered or field for the Wildwood show.

Paul is going to call Eric Childress about fixing the trailer.

Katie has a bill from Port-a-Jon to give to Wendy from the club show. Also, Robert Allison stayed in Raegan's camper instead of a hotel and owes DR \$75/night (which is the same amount Holly Hill charges for officials to stay in their guest house).

Sig brought it to the club's attention that the walk/trot champion and reserve was wrongly calculated and should be Erin Woods champion and Jill Carter reserve.

Marty will be the announcer for the Wildwood show.

Next meeting is Tuesday, June 1 at Lucky Palace.

Meeting adjourned at 8:00 pm.
